

Dear Ramapo College Alumni,

Welcome to the Ramapo College Alumni web-site!

Having served on the Alumni Board for many years, I have come to appreciate how much all of the members of the Ramapo Community—students, faculty, staff, coaches, alumni, and friends make Ramapo the special place that it is.

Our college has experienced tremendous growth over the past several years with new buildings and facilities, just as your Alumni Association has continued to grow. Alumni truly define a college and every alumna/us is important to the Alumni Association just as each of you is an important part of the history of Ramapo.

Your Alumni Association wants to keep you connected to friends, former classmates and others who helped make your experience here memorable. I encourage you to join your fellow alumni in contributing to and remaining active in our college community. I thank you for your dedication and commitment to Ramapo. Please remember that your support does make a difference.

Thank you for visiting our web-site. I hope you will visit the campus in person soon!

Warm regards,

Lisa Ryan '84
