

FREE H1N1 Vaccination Clinic

Friday, February 12, 2010
12 pm - 5 pm

Lenape Meadows Elementary School
160 Ridge Road
Mahwah, New Jersey

This clinic is open to **EVERYONE** (including):

- Pregnant Women (please bring a doctor's note)
- Children who need a second vaccination

The following information is also important:

- The vaccine that will be distributed is injectable (flu shot) and contains thimerosal (mercury)
- Flu Mist will also be available.
- Please bring your printed appointment confirmation forms with you.
- All people who are vaccinated will have to stay for 15 minutes after they receive the vaccination for observation.

Registration will occur on-line through an appointment scheduling system found on the Northwest Bergen Regional Health Commission (www.nwbrhc.org) website. Click on this site to register starting Friday, January 29th at 10 am and click on the Mahwah Site Location. If you do not have access to a computer please call 201-445-7217 and we will schedule your appointment for you.

**In case of bad weather – please check our website
www.nwbrhc.org to see if the clinic is cancelled.**
