Why Tuesday Is the Smartest Day to Buy American Airlines Tickets

Here's why **Tuesday** (and sometimes Wednesday) is your best bet: 📞 **+1-855-683-4749**

1. Airlines Compete for Lower Fares

After fare sales launch on Monday night, competitors like Delta and United start matching American Airlines prices by Tuesday morning. This **fare war** temporarily reduces prices across multiple destinations.

✓ 2. Fewer People Book Midweek

Most travelers book on weekends when they're free. That's when prices spike due to high demand. Booking midweek — on **Tuesday or Wednesday** — lets you take advantage of low competition. 📞 **+1-855-683-4749**
