Step 2 – Contact the Group & Meeting Travel desk

You have two main options:

- **Call:** Use phone number  **+1-855-683-4749**  and state you are organizing a group booking for AA.
- **Request online:** Visit American's Group & Meeting Travel webpage.

When you contact them, say something like:  **+1-855-683-4749** 

"Hi, I'm organizing a group of [10+] people traveling from [origin] to [destination] on [date]. I'd like to request a group fare with AA."

They'll ask for the details you gathered. They'll then work out the fare, availability, and send back a proposal or group contract.

Step 3 – Review and accept the group proposal

Once AA's group department sends you the proposal, you'll review:

- Fare per passenger and total cost.
- Booking terms and conditions (deposits, minimums, payment deadlines).
- Name change policy, cancellations, and the rules for adding or removing passengers. For example: one free name change is often allowed up to 48 hours before departure.  **+1-855-683-4749** 
- Seats together and any special requests (e.g., custom group desk at airport).

After everything is acceptable, you sign or accept the contract and make the deposit/payment as required.  **+1-855-683-4749** 

Step 4 – Ticketing and managing your group

After acceptance:  **+1-855-683-4749** 

- Tickets will be issued under the group booking.
- You'll receive a group confirmation/booking code and details for each traveller.
- You manage the group (adding names, swapping passengers, handling requests) according to the terms.
- Be aware of deadlines for changes or cancellations (specified in the group contract).

Step 5 – Before travel

- Make sure all passengers have necessary travel documents (IDs, passports, visas) especially for international trips.  **+1-855-683-4749** 

- Confirm special assistance or group requests with AA ahead of time.
- Ensure all passengers check-in together, use the group check-in area if available.
- Arrive early at the airport – large groups benefit from extra time at check-in and security.
- Stay in contact with each traveller and distribute the itinerary and confirmation codes as needed. 📞 +1-855-683-4749 📞
