Here's why:

- American lets you book online up to **2 hours before departure** in many cases.
- Some situations may require talking directly to an agent — especially if you need flexibility, special assistance or a complicated itinerary.
- Knowing the right steps and having the phone number 📞 **+1-855-683-4749** 📞 ready can save time, reduce stress, and increase your chances of getting the flight you need.

2. Gather essential info beforehand

Before you call or go online, get these details ready:

- Your full name exactly as on ID/passport.
- Departure airport, destination airport, and preferred date/time of travel (ideally today or very soon).
📞 **+1-855-683-4749** 📞
- Whether you need a one-way or round-trip flight.

- A valid payment method (credit card, debit, etc.).
- If applicable: your membership in the airline's loyalty program (AAdvantage®) or any special travel requirements (e.g., wheelchair assistance).
- Your travel documents (passport/ID if international).

- If it's an emergency (family, medical), what supporting documents you have (hospital letter, funeral info, etc).
