- Clothing (including warm sweaters, jacket, and business and party clothes)
- School supplies (may be purchased at the Campus Store - open on orientation and move-in days)
- Small lockable storage chest (may be found in bed and bath stores)
- Bathing suit
- Large wastebaskets & disposable plastic liners
- Storage crates (small and stackable)
- Desk items (stamps, envelopes, stapler, printer paper, etc.)
- Address book with important phone numbers and e-mail addresses
- Iron with automatic shutoff capability and portable ironing pad
- Prescription medications if needed
- Pre-paid phone card for non local calls or cell phone
- Extra set of car keys
- Clothes hangers
- Small sewing kit
- Small medical kit (pain reliever, antacid, band-aids, etc.)
- Medical insurance card
- ATM card (college ATM is serviced by TD Commerce Bank)
- Credit card or checks for major Campus Store purchases (textbooks, supplies, etc.)
- Computer (most students bringing laptops) and printer & at least two packages of printer paper
- Cable cord for TV
- Appointment book or PDA
- Surge protector – UL rated ONLY (very important!)

- Backpack or other bag to carry books.
- Small amount of cash for snacks and sundries
- Push pins for tack boards (Pine, Oak, Maple, Village, Overlook, Laurel)
- Flashlight (candles and incense are prohibited)
- Small snow shovel and deicer (if you have a car)
- Auto club membership and local area maps
- Patience and good humor, a sense of adventure, focus on personal goals, commitment to making the most of your time in college, an open mind.

College Park Apartments

- Reading lamp, desk lamp and table lamp for living room (no halogens)
- All kitchen, cleaning and decorative items
- Padlock for bedroom closets

Pine, Linden, Oak and Maple Residents

- Reading and floor lamps (no halogens)
- Padlock for closets (Not required for Pine)
- Snack food for micro-fridge (a micro-fridge is provided in each bedroom.)
- Microwave-proof containers/dishes
- Note: Pine residents have bunkable beds (residents decide whether or not they want to bunk them or not). Maple has two bunked beds, and a single bed; Oak and Linden have two single beds.
- Locker-ladder-type unit (to provide additional "shelf" space in closet) – Pine/Linden only
- A small safe is provided for each resident in Pine Hall

Laurel Hall

- Floor lamp for living room
- Bedside reading lamp
- Food for microwave oven
- Microwave oven proof dishes
- Kitchen cleaning items
- Small dish drainer/mat
- Ice cube trays
- Painter's tape to hang anything. All other materials damage walls
- Rug, if desired for common area

The Village

- Two end table lamps in the living room of each apartment provided; bedside lamps and additional living room floor lamp needed
- Tension rod with curtain to create door to open closet (opening is approximately 60")
- All Kitchen, cleaning and decorative items

Note:

- Floors in the Village living rooms are tiled: bring area throw rugs to limit noise transmission
- Color scheme: blue (quad 1), green (quad 2) maroon (quad 3)
- Emphasis on sustainable living: recycling required

The Overlook

- Small gooseneck bedside lamp (regular lampshade will not fit on windowsill)
- Stand up storage unit for bathroom

- Painter's tape to hang anything posters on wall

Optional Items

- Sports equipment (bicycle, fishing rod, basketball, volleyball, tennis racquet and balls, handball, golf clubs, rollerblades/protective gear, etc.) There are bike racks in front of Laurel, Linden, Pine, Oak, Maple, the Pavilion, the RAC in CPA, the Security office, and at the Thomases Commons in the Village.
- Hobby materials
- Sand or beach chair for outdoor reading or lounging during warm weather.
- Electronic game machine/games (marked for identification purposes)
- DVD player
- Cases of water/soda/juice drinks/microwaveable food
- Family/pet pictures in frames
- Computer, printer, scanner and supplies such as paper, toner, etc.
- Stuff that reminds you of home

ITEMS NOT PERMITTED IN THE RESIDENCE HALLS

- Appliances with exposed heating elements.
- Ammunition
- Extension cords and any devices that overload electrical receptacles (more than three appliances per outlet or multiple plug adapters). You need to use power strips with circuit breakers that automatically shut off when overloaded.
- Additional Refrigerators (aside from the College provided Refrigerator or Micro fridge).
- Additional Microwaves (aside from the College provided Microwaves, additional microwaves are permitted in CPA ONLY).
- Halogen lamps and sun lamps – you may have lighting that operates on incandescent light bulbs or fluorescent light bulbs.
- Incense and incense paraphernalia.
- Candles are not permitted for any reason in any campus residence area whether they are decorations, mementos, souvenirs, etc.
- Holiday lights, Christmas lights or any type of stringed lighting.
- Hot Plates, skillets, electric open element grills (e.g., George Foreman Grills), toasters and toaster ovens, rice cookers, etc. College Park Apartments and Village are permitted to have these items.
- Immersion Coils.
- Oil lamps.
- Fireworks and Sparklers.
- Light dimmers, ceiling fans, or any other device that replaces, adds to, or interferes with any building fixture.
- Gasoline powered items such as mopeds, motorcycles or their components.
- All flammable and combustible liquids including thinners or chemicals, propane tanks, lighter fluids.
- All live Christmas trees, wreaths, etc.
- Explosives, gasoline, potpourri burners, incendiary devices of any kind
- Knives, rifles, handguns, paint ball guns, weapons of any kind even if they are presumed to be solely decorative or collectible.
- Space heaters (unless provided by Facilities Office in emergency cases)

- Pets (Service animals are allowed in all of our facilities.) Otherwise, only fish in a maximum 10-gallon tank are allowed.
- Window air-conditioning units (all residence halls are air-conditioned).
- Upholstered furniture (unless it meets CAL133 fire safety guidelines).
- Swimming pools (inside or outside of residence halls), Waterbeds, Hot tubs
- Aerosol cans in Pine and Linden
- 5-Light Multicolored Floor Lamp
- Any products that produce mist, fog, or smoke conditions that activate the fire alarm devices (i.e. mist, fog or smoke machines and dry ice products designed to simulate smoke or fog).

PLEASE NOTE:

Violators will be fined and face judicial action. Items may be confiscated and discarded, regardless of the expense of the item.

This is not a complete list of prohibited items. Students should review the list and use good judgment about what they bring to their campus homes. The College reserves the right to change anything contained herein at anytime. Notice of changes will be provided to residents in their campus mailboxes, by voicemail to phones in residence halls, or to students' College e-mail accounts.
