

NO HOUSING DEPOSIT NO HOUSING

The Fall 2012 Housing Selection Deposit is due February 1, 2012.

- In order to secure housing for the Fall 2012 semester, a \$500 non refundable housing deposit is required. Students who are not Spring 2012 residents, are not eligible to participate in the Fall 2012 Housing Selection Process. **Residents who do not submit the \$500 non-refundable housing deposit by Wednesday, February 1, 2012 will not be eligible to participate in the Fall 2012 housing selection process.**
- The Fall 2012 housing selection process will consist of three steps. Submitting the non-refundable housing deposit of \$500 is "Step One" of the Fall 2012 housing selection process. Further details regarding the Fall 2012 housing selection process will be available via the Residence Life webpage on or about March 1, 2012.
- The Bursar's Office has begun accepting the non-refundable housing selection deposits. Deposits may be submitted using cash (in-person only), check or money order (in-person or by mail) or by credit card or electronic debit of checking or savings account (online only). Residents paying by check or money order, must include their R-number and indicate "2012 Housing Selection Deposit" on the front of their check or money order.
- Instructions for online payments can be found on the Bursar's Office web site. Deposits will be credited and applied against Fall 2012 housing, tuition and fees. Students who withdraw from housing after submitting their deposit, forfeit their deposit. Withdrawing from housing after submitting the deposit may result in a student having an outstanding balance on their account. The Bursar's Office recommends that students review their account on the account summary by term screen on self service to see how the housing deposit forfeit affected their account.
- **NOT SURE IF YOU ARE RETURNING TO HOUSING FOR THE FALL 2012 SEMESTER?** Students who are undecided about their Fall 2012 housing plans have the option of submitting their housing deposit AFTER February 1, 2012. However, these students will not be eligible to participate in the housing selection process (i.e., they are not able to be pulled into a group, or qualify as an individual). They will be placed in the summer once the housing selection process has been completed. Students can still be guaranteed housing for the Fall 2012 semester by completing a non-housing selection form and submitting the \$500 non-refundable housing deposit by Tuesday, May 1, 2012.
