

Ja Yeon (Jane) Lee

OUTSTANDING INTERNATIONAL BUSINESS STUDENT

Our outstanding student in International Business for this year is (Ja Yeon ) Jane Lee.

As an international business major, Jane is completing a double concentration in East Asian Studies and Marketing. In addition to being a member of several honor societies and maintaining an extraordinary academic record, Jane has found time to complete two challenging internship assignments.

It has been my observation that whenever Jane approaches a new activity, she does so with an amazing amount of energy and intensity. As but one example, Jane currently serves as the President of the Ramapo College SIFE Team. SIFE stands for Students in Free Enterprise. It is an international organization through which business students apply the skills they are learning to address pressing social issues. Each year SIFE Teams from around the world compete in a competition based upon their accomplishments. Under Jane's able leadership, our team has won the North East Regional competition and will now advance to the national competition in Minneapolis in June.

Jane's goal after graduation is to work for a multinational corporation. I'm sure she will be leading one before too long.
