

Jacqueline Ostrander

Major: Carol Schaefer Award

Jacqueline will be graduating as a major in Psychology and a minor in Sociology. She is an active member of the College Honors Program, Psi Chi, Omicron Delta Kappa and the Psychology Coalition. Her love of human communication has led her to pursue a career in speech therapy. She has been accepted to several masters programs in Communication Sciences and Disorders and is currently deciding which to attend. She aspires to be a speech-language pathologist working with special needs children.
