

## **Teacher Education: Kevin McOwen**

Kevin McOwen is getting a second degree in Mathematics from Ramapo, as well as being certified as a Mathematics teacher. His first degree was in Economics from Rutgers University. TE faculty have applauded the high quality of his work in their classes referring to Kevin as “simply a superb student”, “he critically approaches all concepts and issues” and “is a student who has raised the level of discourse for us all.”

Kevin plans on becoming a mathematics teacher.
