

Keysi Castillo. A Provost's scholar, Keysi is a Spanish Major with a Latin American Studies and Italian Studies minor. Her professors praise her exceptional work, dedication, creativity and brilliance.

Among her accomplishments are:

Keysi's academic achievement, her dedication to service, and her professional advancement are even more remarkable when we consider that she came to the U.S. from the Dominican Republic when she was 10 years old and has lived independently with no support from family, working her way through college with the help of some loans and scholarships.

Future Goals: Keysi intends on continuing her studies in Spanish and Latino/a and Latin American Studies in graduate school.
