

Martin Cohen

OUTSTANDING ECONOMICS MAJOR

Our outstanding student in Economics for this year is Martin Cohen.

Marty will soon graduate with a double Major in Economics and Finance. He is a member of the College Honors Program, Captain of Ramapo College Fed Challenge Team, and Co-Vice President of the Ramapo Chapter of Beta Gamma Sigma, the International Honor Society for AACSB Accredited Business Schools.

For the past two years, Marty has served as a Staff Assistant for the Eastern Economics Association, headquartered at Ramapo College, helping to organize the Association's annual conference. Serving in this role, Marty has had the opportunity to have dinner with three Nobel Prize Laureates in Economics, as well as the CEO of the National Bureau of Labor Statistics. (I know this, because Marty sometimes invites me to these dinners.)

So if any of you have questions about the future of the Global Economy, or just want to complain about the way things are, see Marty at the reception.
