The Management Faculty have chosen Michael Chinanie as their Outstanding Student for this year.

Michael will be graduating Suma Cum Laude, with a major in Management as well as a Minor in Accounting.

During his time at Ramapo, Michael has held numerous leadership positions including membership on the Student Executive Board of the College Honors Program, President of Hillel, Vice President of “Donate Life Ramapo,” a student group that encourages organ donation, and a Vice President of the National Society of Collegiate Scholars. Michael is a member of Beta Gamma Sigma, the international honor society for AACSB Accredited business schools, as well as numerous other honor societies.

Michael continues to work at Holy Name Medical Center in their Marketing / Public Relations department, where has worked since his freshman year. His goal is to one day run his own hospital ... as I’m sure he will. To make his goal a reality, Michael and will be attending Seton Hall University starting this fall to obtain a Master’s in Health Care Administration.
