

2013 ACADEMIC ACHIEVEMENT CEREMONY

SCHOOL OF THEORETICAL AND APPLIED SCIENCE

The outstanding student in Bioinformatics is CAMILLE MENENDEZ.

Camille is a member of Alpha Lambda Delta, Omicron Delta Kappa, and Sigma Xi. She served as president of the Bioinformatics Club, co-Historian and co-Vice President of the Biology club. In the College Honors program, Camille presented and won several awards in research projects that are too numerous to list today but are on our research website.

Having competed and place in the Collegiate National Figure Skating Championships, Camille she has decided continue figure skating competitively and then pursue a PhD program in the field of Computational or Molecular Biology.
