

2014 ACADEMIC ACHIEVEMENT CEREMONY

SCHOOL OF SOCIAL SCIENCE AND HUMAN SERVICES

The outstanding student in SOCIAL SCIENCE goes to **BRITTANY FABER**.

Brittany is a member of Theta Phi Alpha Sorority. She interned at CareOne: A Senior Care Company where she completed 40 volunteer hours working with older adults of different needs and abilities. This allowed for socialization and helped keep their minds active with various creative activities. She also interned at ShopRite working with Dietitian Nicole Hallissey, sitting in on consultations and assisted with healthy food demonstrations and cooking classes.

Brittany plans to follow the path of her minor, Gerontology, by pursuing full-time positions in a nursing home.
