## ASSESSMENT OF STUDENT LEARNING

[www.ramapo.edu/administration/assessment](http://www.ramapo.edu/administration/assessment)

SPRING 2011

*Academic assessment is a vehicle  
for meaningful discussions  
about teaching and learning.*

### SUCCESS

Last fall programs developed learning outcomes, curriculum maps, and assessment plans for 2010-11. Building on this initial success, programs are busily engaged in assessment-related activities this spring by:

- Developing rubrics,
- Scoring student work, and
- Reviewing results.

Assessment reports for 2010-11 should be submitted electronically to SAC chairs, copied to deans and Eric Daffron, by June 1, 2011.

### UPCOMING EVENTS

At the faculty conference to be held on *May 18, 2011*, the faculty will hold a discussion about assessment as one of its conference topics.

The Faculty Resource Center (FRC) provides workshops, teaching circles, and other support for assessment-related activities.

*On the morning of May 19, 2011, the FRC will offer workshops on:*

- Quatrics (for assessment-related surveys) and eFolio (for organizing student work),
- Rubrics (for scoring student work), and
- Survey construction (for posing the best questions and getting the best results).

In addition, GECCo will present its assessment results to the faculty at 2pm.

To receive more details and updates about this FRC program and to offer ideas for assessment-related workshops that would benefit your convening group, please contact Lysandra Perez-Strumolo, Director of the Faculty Resource Center, at [lperezst@ramapo.edu](mailto:lperezst@ramapo.edu).
