Summer 2018

*Improving student learning while PUSHING BOUNDARIES
in the classroom and beyond.*

Preparing for Middle States

The Ramapo College Self-Study 2020 is well underway. You can find general information about the process at: <https://www.ramapo.edu/self-study/>. CWAC is working closely with Working Group Standard V (Educational Effectiveness Assessment).

As we prepare for AY18-19, it is important that all course syllabi list program learning outcomes as well as general education if applicable.

Closing the Loop and Reassessment

Closing the Loop and *Reassessment* continue to be a point of emphasis for CWAC. The committee notes many fine examples from last year:

- Example of reassessment leading to "loop closing," see Psychology.
- Example of assessment assisting in the revision of curriculum to enhance student learning, see Music.
- Example of how freestanding minors can reflect on previous results, see Substance Use Disorders.
- Example of assessing a core requirement using an external survey instrument (ETS Major Field Test in Business) and the development of an action plan to address, see the ASB Core Foundation Report.
- Example of assessing a contract major, see Contemporary Arts Contract Major.

GECCo

Assessment of the new general education program begins fall 2018. Reports from AY2017-18 may be found on the GECCo website: <http://www.ramapo.edu/fa/gecco/>. The password is 'GECCo' (without quotes).
