

Contemporary Arts Contract Major Curriculum Map

Curriculum Map:

(Outcome 1) Students are required to write a one-page learning agreement before declaring the major. The learning agreement asks students to synthesize and connect examples from more than one field of study.

(Outcomes 2, 3, 4) Students are required to take a 400-level Capstone course where they integrate the knowledge and skills they have acquired from more than one field of study. Students produce an advanced portfolio of work.
