

CWAAC Minutes
12pm November 20, 2019

Present: Mike Unger, Susan Gaulden, Sarah Carberry, Tim Hass, Gilad Cohen and Christina Connor

2019 October CWAAC minutes approved

School Updates

- Mike sent an e-mail out reminding everyone to review and submit final curriculum maps. A large number of programs have completed their mission and general education maps. If you have a strategic plan completed please let Mike know.

Senior Presentations

- Mike expressed there have been 24 Google forms filled out and submitted. Please remind your areas to fill out the forms if they have not submitted them.
- Mike will also follow up with an e-mail reminder to complete the forms and return by the end of the semester.

Google Documents

- Mike will be moving the assessment documents from the P drive over to Google drive/docs. The name of the Google folder will be called (Academic Assessment). The new e-mail address is (cwaac@ramapo.edu) and this will go directly to Mike and he will give the CWAAC group access to the folders.

Middle States Chair Visit & Dashboard 2021

The middle states visit in October went well and some of the comments from the meeting include:

- Changing the GE Program
- Providing specific data points
- Paying special attention to standard 5

Susan Gaulden encouraged the committee to be ready to tell stories about our successful use of assessment. We should be familiar with self-study and how the college conducts assessment data informed and using the data to make informed decisions.

Assessment Template/ Dashboard 2021

- Middle States is looking at how the college is doing with assessment, finances, and institutional resources. They are looking to know what are the plans for changes in the curriculum.
- Dashboard 2021 is complete and presents 60 indicators on how we are doing in relation to our strategic plan. The dashboard is updated twice a year and geared toward plans on how to reach our targets and goals.
