CWAAC Minutes
February 22, 2022
In Attendance: Michael Unger (Chair), Caroline Brisson, Sarah Carberry, Christina Connor, Sharon Leathers, Tim Haase, and Jackie Skrzynski.

Not Present: Susan Gaulden, Gurvinder Khaneja, and Stacie Taranto

- Assessment App
  - CWAAC discussed creating an assessment app to facilitate academic program data.
  - CWAAC voted to support developing the app, [created a list of functions for different stakeholders and outlined a timeline for the project](#).
  - CWAAC will work with Prof. Scott Frees (Computer Science & Data Science) on developing the app and Prof. Amanda Beecher (Math & Data Science) on visualizing results when the app reaches beta testing
- CWAAC Manual
  - Tabled until March meeting due to time constraints.
- Unit & Program Updates
  - CWAAC discussed assessing group projects
  - Jackie (CA) offered advice from CA's experience working with small Ns.
  - Sharon (SSHS) offered insights from K-12 research (e.g., collaborative v. cooperative to increase accountability, giving students individual grades for specific tasks assigned as part of the group work)
- Meeting adjourned.
