

CWAAC Minutes

March 4, 2021

- Follow up on Canvas Workshop on Assessment
 - CWAAC concluded that Canvas may be a good option for some accredited programs (e.g, Teacher Ed, Social Work) and individual programs can use it for assessment, but Canvas should not replace our current school wide or college wide assessment processes.
 - CWAAC will continue to work with Canvas as new updates become available
- CWAAC discussed senior presentations and workshopped several oral presentation rubrics.
