

C.E.P. STUDENT ADVISEMENT WORKSHEET

Student Name: _____

Major: _____ **Minor:** _____

Expected Graduation date: _____

1. Print out current OnCourse Audit. (optional for FYS)
2. Determine if you will graduate after Fall 2006. If so, then proceed. If not, then current requirements apply. No CEP changes will affect students graduating before Fall 2006.
3. Determine if you will have 30 or more credits EARNED by Feb. 3, 2006.
Note: Winter course credits will not be earned by February 3rd.
4. Using CEP Gen. Ed. checklist, check off areas already fulfilled. Using new CEP General Education List available on the web, select courses from categories you still need.
5. Using CEP major sheet requirements available on the Web, review CEP School Core requirements to determine which areas still need to be completed.
6. Review new CEP major requirements.
7. Mark off on the OnCourse Audit the areas that are no longer required. (optional for FYS)
8. Select courses for Spring '06 that will be needed under the new CEP requirements

Resources:

GENERAL EDUCATION – from Checklist and major sheets. Remember that some categories are embedded in the major or School Cores. You must use both the CEP Major Sheets and the General Education checklist.

SCHOOL CORE COURSES – from CEP MAJOR SHEETS

MAJOR COURSES from CEP MAJOR SHEETS

Course ID Number	Title	Category satisfied

NOTE: Seek an appointment with your faculty advisor this fall. Review your schedule before the beginning of the Spring 2006 semester. Make any changes before the semester begins. Look for advisement information from your major and school.
