Event Power - Availability and Locations

Purpose:

This document is intended to make it easier for Events to be able to identify:

The amount of power that is available at Event locations.

The location of power at various College venues.

During An Event:

Questions should be directed to the Facilities Service Desk - 201-684-7660

After hours questions should be directed to Public Safety at 201-684-6666

Event Planning questions about electric availability and locations should be directed to:

Chuck Jurgensen (staff Electrical Supervisor)

201-684-7182

cjurgens@ramapo.edu
