Re: Bid No. 2014-02-01C

Dear Mr. Roberts,

In response to the protest letter received from Catcord Construction., Slate Constructions LLC is offering the following response:

1. Slate Construction LLC is a sole-member limited liability company, which has a legal status of a sole proprietorship under the Law of the State of New Jersey. Therefore, we are not obligated to have nor use a "corporate seal".
2. The bid bond amount is clearly stated as "10% of the amount bid", as required by the bid documents.
3. "Revision" to Addendum #1 consisted of the following text in the body of the e-mail: *Attached is a revision to the Bid Proposal form correcting the bid due date as originally advertised to 2:00 PM, Tuesday, March 10, 2015. Substitute this form in place of all other previously issued Bid Proposal forms when submitting you bid.* As instructed, Slate Construction LLC used the correct form which constitutes acknowledgement of the change. No further acknowledgement was required by the e-mail or other bid documents. This "Revision" was also not included on the project web-site as an official addendum.
4. Regarding corporate seal on the bid bond document please see Item #1.
5. "Disclosure of Investments in Iran" form was submitted to the College after the bid opening, in order to satisfy this requirement.
6. Slate Construction LLC included the acknowledgement of Addendum #1 in the proper space on the proposal form. Also, Slate Construction LLC submitted with its bid signed acknowledgement page of Addendum #1.

Please feel free to contact me if you have any questions or need any additional information.

Sincerely,

Venita Djuric

Venita Djuric, President
