Re: H-Wing 2<sup>nd</sup> Floor Les Paul Studio Renovation RCNJ No. 2014-02-01C

Dear Bidders:

The College is accepting for the record the attached letters dated March 31, 2015 from Slate Construction as formal responses to the protests of Brahama Construction Corp. and CatCord Construction Corp. of the College's intent to award a contract to Slate Construction, for the aforementioned project. The protesting firms have until the close of business on Tuesday, April 21, 2015 to provide in writing to the College and Slate Construction a rebuttal of Slate Construction's response to the bid protest. Once all documentation is in hand the College will decide whether the protests can be resolved based on the documentation or if a hearing is in order (ref. Appeal Procedure, Section 1B2.4).

If you should have any questions, please don't hesitate to give our office a call.

Sincerely,

Richard M. Roberts
