IB1.1 Sealed proposals for the work described herein must be received and time-stamped at the College. The closing date and time for bids will be stated in the advertised Notice to Bidders. Bidders are cautioned that reliance on the U.S. Mails for timely delivery of proposals is at the Bidders risk. Failure by the Contractor to have sealed proposals reach the College by the prescribed time will result in a return of the submission unopened and unread.

IB1.2 Bids will be received for General Construction (LUMP SUM) inclusive of all trades as required in the bid documents including, but not limited to:

IB1.3 The College reserves the right to deny award to any Bidder who is not responsible, based upon experience, past performance, and financial capability to perform the work required hereunder, or other material factors.

IB1.4 Bid proposals based upon the Plans, Specifications, and Addenda, shall be deemed as having been made by the Contractor with full knowledge of the conditions therein. Bidders are required to visit the site prior to submitting proposals for the work herein described, and to have thoroughly examined the conditions under which the Contract is to be executed including those reasonably observable conditions of the premises which would hinder, delay, or otherwise affect the performance of the Contractor required under the terms of the Contract. The College will not allow claims for additional costs as a result of the Contractor's failure to become aware of the reasonably observable conditions affecting the required performance of the Contractor. The bidder is required to make appropriate allowances in the preparation of his Bid for the accommodation of such conditions. By submitting a bid, the Bidder confirms acknowledgement of existing conditions at the site at the time the Bid is submitted.

IB1.5 Bid proposals shall be submitted on the standard form provided by the College, enclosed in a sealed envelope. The name and address of the Bidder must be indicated on the envelope, as well as indication of the College Project Number, project location and other appropriate identification.

IB1.8 Proposals shall remain open for acceptance and may not be withdrawn for a period of sixty (60) days after Bid Opening Date.

IB1.9 Proposals not submitted and filed in accordance with instructions contained herein and in the Notice to Bidders may be rejected as non-responsive.

IB1.10 The Bidder shall make no additional stipulations in the Bid Proposal nor qualify his bid in any manner. Such qualification may result in the bid proposal being considered non-responsive.

1B2 Notice of Intent to Award & Bid Protest Procedures

1B2.1 Within sixty (60) days of a bid opening, the College shall provide to all bidders a copy of a "Notice of Intent to Award a Contract;" and shall notify any nonresponsive/nonresponsible bidder of the basis for disqualification, unless, within the sixty (60) day period, the College requests that bidders agree to permit the bids to be held for a longer time period for consideration pending issuance of a "Notice of Intent to Award."

1B2.2 Any bidder, having submitted a proposal in response to this RFP and finding cause to protest the College's disqualification of a bid, or notice of intent to award, may make written request to the Contracting Officer setting forth, in detail, the specific grounds for challenging the disqualification of its bid or for challenging the College's intent to award the Contract, as applicable. The protest shall be filed within five (5) business days following the bidder's receipt of written notification that its bid is disqualified or of notice of the intent to award, as applicable.

1B2.3. The College shall consider the written record when deciding a bid protest. The written record may include, but is not limited to, the written protest, any written response to the protest submitted by the lowest responsible bidder, the terms, conditions and requirements of the RFP, the proposals submitted in response to the RFP, the evaluation committee report and/or the award recommendation document, pertinent administrative rules, statutes, and case law, and any associated documentation the College deems appropriate. In cases where no in-person presentation is deemed necessary pursuant to Section 1B2.4 below, the College shall afford the protester and other interested parties a fair opportunity to submit written statements and documents supporting the facts and the legal arguments relevant to the bid protest.

1B2.4 The Contracting Officer has the discretion to determine if an in-person presentation is necessary to reach an informed decision on the issues raised by the protester. An in-person presentation is a fact-finding hearing for the benefit of the College. The College has the discretion to permit attendance at an in-person presentation by those parties likely to be affected by the outcome of the protest. The in-person presentation shall be recorded electronically by the College and the electronic recording shall be available for public access as a "government record" under OPRA.

1B2.5 Any bidder who intends to be represented by an attorney at an in-person presentation must notify the Contracting Officer in advance to give the College an opportunity to have its counsel from the Attorney General's Office, Division of Law, attend in person or by telephone. If advance notification is not provided, the Contracting Officer may limit the bidder's attorney to advising and assisting the bidder by submitting questions to be

00 20 00 INSTRUCTIONS TO BIDDERS

asked of other participants/witnesses at the discretion of the Contracting Officer. The in-person presentation will not be rescheduled in this situation.

IB2.6 The Contracting Officer may award the Contract immediately, notwithstanding the receipt of a protest, if the failure to award the Contract will result in substantial cost to the College or if public exigency so requires. In such event, the College shall notify all interested parties. Award of the Contract shall be appealable to the Superior Court of New Jersey, Appellate Division, pursuant to N.J.S.A. 18A:3B-6(f).

IB2.7 The College reserves the right to waive any immaterial defects in the bid or the bidding process.

IB2.8 The College shall issue a written decision including findings of fact and conclusions and shall provide copies of the bid protest decision to all participants in the bid protest. The bid protest decision is a final decision of the "Contracting agent", as that term is defined in the State College Contracts Law, N.J.S.A. 18A:64-53(b). Notice of award of the Contract following a bid protest decision shall be provided to all bidders, and shall be appealable to the Superior Court of New Jersey, Appellate Division, pursuant to N.J.S.A. 18A:3B-6(f).

IB3 Bid Modification

IB3.1 A bidder may modify his bid proposal by fax, email or letter at any time prior to the scheduled closing time for receipt of bids, provided such communication is received by the College prior to such closing time. A written confirmation of any bid modification signed by the Bidder must have been mailed and time-stamped by the Post Office prior to specified closing time. Such confirmation shall be accompanied by a newly executed affidavit of non-collusion.

IB3.2 Any bid modification request shall not reveal the basic Bid Price but only shall provide the amount to be added, subtracted or modified so that the final prices or terms will not be revealed until the sealed Proposal is opened. If written confirmation of the bid modification is not received within two (2) business days after the scheduled bid closing time, no consideration will be given to the bid modification request and the Bidder will be held to the original bid proposal amount.

IB3.3 Bids may be withdrawn upon written request received from Bidders prior to the time fixed for the Bid Opening. Right for withdrawal of a bid is lost after a bid has been opened. If any error has been made in the bid amount, request for the relief from the bid may be made in writing to the College. The written request shall be signed by an authorized corporate officer. A determination of whether the Bidder will be released shall be at the sole discretion of the College, who shall issue its finding within five (5) business days of his receipt of all pertinent information relating to such request for relief.

IB4 Consideration of Bids

IB4.1 Award of Contracts or Rejection of Bids:

- a. Contracts will be awarded to the lowest responsible Bidder. The awards will be made, or the bids rejected, within sixty (60) days from the date of the opening of the bids.

At such time bid deposits of the other two (2) low Bidders will be returned.
- d. The College reserves the right to award the Contract upon the basis of a single bid for the entire work. Alternates will be accepted or rejected in numerical sequence as cited in the Bid Documents and shall not be selected at random except as provided herein. Add alternates and deduct alternates will be specified separately. The College may choose from the add and deduct alternates without priority between the two groups so long as selection within each group is in numerical sequence from the first to the last.
- e. The College reserves the right to waive in its sole discretion any bid requirements when such waiver is in the best interests of the College and where such waiver is permitted by law.
- f. The College reserves the right to reject any and all bids when such rejection is in the best interests of the College. The College also may reject the bid of any Bidder who, in its judgment, is not responsible or capable of performing the Contract based on financial capability, past performance, or experience

IB4.2 The Bidder to whom the Contract is awarded shall execute and deliver the requisite Contract Documents including payment and performance bonds within the time specified. Upon his failure or refusal to comply in the manner and within the time specified, the College may either award the Contract to the next low responsible Bidder or re-advertise for new proposals. In either case, the College may hold the defaulting Bidder and his Surety liable for the difference between the applicable sums quoted by the defaulting Bidder and that sum which the College may be obligated to pay to the Contractor who undertakes to perform and complete the work of the defaulting Bidder.

IB5 Awards

IB5.1 In executing a contract, a successful bidder agrees to perform his work in a good and workmanlike manner to the reasonable satisfaction of the College and to complete all work within the contract duration as defined in the contract documents.

00 20 00 INSTRUCTIONS TO BIDDERS

IB6.1 If the successful Bidder is a corporation, not organized under the laws of the State of New Jersey, or is not authorized to do business in this State, the Award of the Contract shall be conditioned upon the prompt filing by the said corporation of a Certificate to do business in this State and complying with the laws of this State in that regard. This filing must be made within the Department of Treasury, Division of Revenue. No Award of Contract will be made until the Department of State confirms this authorization.

IB6.2 The College reserves the right to reject a Bidder at any time prior to the signing of a Contract if information or data is obtained which, in the opinion of the College, adversely affects the responsibility and/or the capability of the Bidder to undertake and to complete the work regardless of the Bidder's previous qualification or classification. The College may conduct any investigation as it deems necessary to determine the Bidder's responsibility and capacity and the Bidder shall furnish all information and data for this purpose as the College may request.

IB7 Deposit and Bid Bond

IB7.1 Each proposal shall be accompanied by a Bid bond or by a Certified Check, made payable to the College equal to ten percent (10%) of the total amount of the proposal, as an evidence of good faith, which guarantees that if the proposal submitted by the Bidder is accepted, the bidder will enter into the Contract and furnish the required Contract Documents and Surety Bonds. If a Bid Bond is submitted, it shall also provide that the Surety issuing the Bid Bond be bound to issue the required Payment and Performance Bonds, if the Bidder is awarded the Contract. If the Bidder whose proposal is accepted is unable to provide the Performance and Payment Bonds or fails to execute a Contract, then such Bidder and the Bid Bond Surety shall be obligated to pay to the College the difference between the amount of the bid and the amount which the College contracts to pay another party to perform the work. The College reserves the right to retain any Certified Check deposited hereunder as reimbursement for the difference as aforesaid, and shall return any unrequired balance to the Bidder. Should there be a deficiency in excess of the bid deposit, the Bidder and the Surety shall pay the entire amount of the College's difference in cost upon demand. Nothing contained herein shall be construed as a waiver of any other legal remedies the College may have by reason of a default or breach by the Contractor. Certified Checks or Bonds submitted by unsuccessful Bidders will be returned after the Contract has been executed. Contractors electing to furnish a Bid Bond must include Consent of Surety, both in form acceptable to the College.

The Performance Bond and the Payment Bond must be separate instruments. No Contract shall be executed unless and until each Bond is submitted to and approved by the College and the Surety must be presently authorized to do business in the State of New Jersey.
