# CORPORATE SPONSOR

*In memory of Pritam Singh Grewal*

## **GREWAL, HARCHAND SINGH & JAGIR KAUR MEMORIAL SCHOLARSHIP**

In 2003, brothers Pritam Singh Grewal and Amarjit Singh Grewal created this scholarship in memory of their parents and to honor their belief in personal excellence. Pritam is president of ADPP Enterprises, which owns and operates gas stations in New Jersey and Pennsylvania. The company has grown from an entrepreneurial start-up to one of the best-run gas retailers in the country.

The purpose of the award is to recognize the business success the brothers have achieved thanks to values instilled by their parents and to recognize a student with “a consistently high level of academic performance.”

The Seminara Group at Morgan Stanley Private Wealth Management would like to congratulate all of the 2022 Distinguished Citizens Award honorees

Morgan Stanley

# THE BERGEN BARRACUDAS SWIM TEAM

The Bergen Barracudas Swim Team would like to extend its warm regards to the Ramapo College Foundation and the 2022 Distinguished Citizens Award Honorees.

Unique among local swim teams, the Bergen Barracudas is a parent-run not-for-profit organization. Our organization, named the Northern Hills Aquatic Club, was chartered in 1980 for the sole purpose of running the Bergen Barracudas Swim Team. We are self-supported through program fees and fund-raising revenues.

The leadership of the organization is comprised of parents volunteering on our Parent Board.

The Bergen Barracudas Swim Team has been fortunate to call Ramapo College its home since our formation. Our kids swim competitively in open, invitational NJS/USS meets at the pools around New Jersey and New York, including college facilities such as Rutgers, Seton Hall and Princeton.

All our members are Friends of Ramapo and enjoy all the benefits that Ramapo College affords them.

KONICA MINOLTA

# HERE'S TO THE FUTURE

As a global corporation, Konica Minolta is aware of the impact we can have on our world in an environmental capacity. Our Ramsey, New Jersey US corporate headquarters proudly runs on 100 percent green energy, drawing on renewable energy sources such as solar, wind and hydro power. Konica Minolta also partners with the Arbor Day Foundation in an effort to revitalize U.S. national forests, sponsoring the planting of trees in forests affected by wildfires or other natural disasters.

Learn more about our environmental initiatives at [kmbs.konicaminolta.us](https://kmbs.konicaminolta.us)
