

WELCOME

Welcome to the 48th Eastern Economic Association Annual Meetings that will be held in-person for the first time since 2020. Our incoming President-Elect **Jonathan Gruber**, session chairs, organizers, and review committee have done a superb job putting together this year's program, which I hope you will find as intellectually exciting as I do. The program furthers the EEA's tradition of encouraging intellectual debate, open to all points of view. I would particularly like to welcome those presenting at the conference from all over the world.

The Eastern Economic Journal, our Association's publication, has continued to flourish under the editorial leadership of editors **Cynthia Bansak** and **Alan Zebedee**. Two officers of the Association, **Alexandre Olbrecht**, our Executive Director, and **Natalia Smirnova**, our Treasurer, deserve special thanks for their ongoing work tending to the business of the Association. Finally, I would like to thank The Anisfield School of Business at Ramapo College of New Jersey, the College's Board of Trustees and its new President, Brigadier General (ret) **Dr. Cindy Jebb**, for providing a home base for the EEA.

It has been a challenging time navigating the Covid-19 pandemic for all academic associations, and the consolidation in the hotel industry has seen some of our former partner hotels file for bankruptcy, most notably the Wardman Park Marriott, our Washington DC conference location. This year we are glad to experience a new warmer destination here in Montego Bay, Jamaica, and we thank you all for attending.

This conference marks the end of my term as president of the Eastern Economic Association. I certainly did not anticipate the challenging nature of my term when I was elected Vice President several years ago. We faced a difficult situation scheduling this conference in terms of location and timing, and I want to personally thank the Officers of the Association for their hard work making this conference happen. I also thank all you members of the Association for bearing with us, and for your support through attending the conference. I hope you have a productive and relaxing stay here in Jamaica, and look forward to seeing you all again next year in one of our traditional locations, New York City.

Credits and Thanks

The program chair for this conference is **Jonathan Gruber**. Other session organizers and those listed as the program committee did much of the work. A continuing thanks needs to be made to our organizing committee who through the years have been an instrumental part of building the conference program. Those individuals are:

Ari Belasen, Southern Illinois University- Edwardsville
Donn Johnson, Quinnipiac University
Jane Ruseki, West Virginia University
Alexandre Olbrecht, Ramapo College of New Jersey

The content for this guide and its online version were produced at the Anisfield School of Business at Ramapo College of New Jersey. The Association thanks its Webmasters, **Robert Josic** and **Angela Moore**, and its very sleep deprived volunteer student assistants, **Richard Klas** and **Justin Kleindienst**.

Organizing this year's conference has been an interesting challenge for me and some of the other major contributors, **Al Campbell**, **Terry-Ann Craigie**, and **Jimena Gonzalez-Ramirez**. I'd like to thank them for their support, patience and contributions in making this year's program happen. I would like to provide an additional thank you to **Terry-Ann Craigie** as she retires from her role at CSWEP. She is a very talented economist and one of the nicest people I have had the pleasure of working with. At Ramapo College, a very hearty thanks has to be given by me to **Ed Petkus**, Dean of the Anisfield School of Business, for not locking his door on Tuesdays when I always seem to zoom into his office.

I'd like to personally thank everyone who contributes their time and energy in making this Association be successful. I usually mention the enormous help of **Donn Johnson** at this time, but I will also give a hearty thanks to my wife **Lindsey Olbrecht** for staying home with our two kids while I head to the Caribbean for this year's conference. Most importantly, I'm happy to announce the arrival of **baby girl Olbrecht** in June of this year, or as my two children call her, baby gumdrop.

In closing, I hope you enjoy this year's conference. If my staff and I can do anything to make your time at the EEA meetings more enjoyable, please let us know.

Alexandre Olbrecht
EEA Executive Director

Absenteeism / Professionalism

The Eastern Economic Association does its best to ensure that sessions are filled at the time of acceptances. However, we cannot guarantee that presenters, chairs, and discussants fulfill their professional obligation of attendance and performance. In the case of a chair being absent, the first available presenter shall act as chair.

Please inform the EEA staff of any non-participation by a scheduled presenter, chair and discussant, as this information contributes to subsequent acceptance decisions by the program committee.
