The Higher Education Opportunity Act (HEOA Public Law 110-315) signed into law by President George H. Bush on August 14, 2008 and effective July 1, 2010 requires institutions with on campus student housing facilities to provide Plans for Future Improvements in Fire Safety to enrolled students and current employees.

PLANS FOR FUTURE IMPROVEMENTS IN FIRE SAFETY

Fire Safety has always been and continues to be a high priority at Ramapo College. We continue to assess what more can be done to:

- Assure a Fire Safe Environment
- Raise our Fire Preparedness and Prevention
- Renew the Fire Safety Instructions and Fire Evacuation Procedures
- Update Available Training and Information

Toward these ends:

- At minimum an annual review of the College’s Fire Safety Policies and Procedures will be conducted.
- Inspections and tests of our Fire Suppression and Protection Systems will continue on an annual schedule and any deficiencies will be corrected in accordance with the New Jersey Fire Code.
