

ENHANCE PROGRAM

Congratulations to the Class of 2026!

We celebrate our Ramapo College graduates who completed their college journey within the ENHANCE Program. We honor your extraordinary dedication, resilience, and hard work, and we wish you continued success.

Josh Zarin, BA, Communications: Digital Film Making

Post -Grad Plans:

My post grad plans are to try and find a job in filmmaking to one day become a cinematographer for a major film created by Hollywood.

Thoughts on time in ENHANCE:

ENHANCE has brought me countless memories that I will cherish for the rest of my life and the friends I made along the way.

Highlights of 2025-2026

Our ENHANCE students and Peer Mentors had an amazing time at Dave & Buster's—not once, but twice! Taking a well-deserved break from exams, everyone enjoyed delicious food, exciting games, and plenty of laughter. More importantly, these outings provided an opportunity to strengthen friendships, build meaningful relationships, and create lasting memories. It was the perfect way to relax, recharge, and celebrate the supportive community that makes the ENHANCE Program so important.

ENHANCE PROGRAM

ENHANCE Peer Mentors 2025-2026

Peer Mentors are an essential part of the ENHANCE Program, serving as trusted guides, role models, and advocates for student success. They are dedicated to helping students navigate the transition to college life by offering encouragement, sharing their experiences, and connecting students with valuable campus resources. Through ongoing support, Peer Mentors empower students to build confidence, develop independence, and strengthen their self-advocacy skills. By fostering meaningful relationships and creating a welcoming, supportive environment, Peer Mentors play a vital role in helping ENHANCE students thrive both academically and personally throughout their college journey.

ENHANCE PROGRAM

NEW for 2026 – 2027:

Career Coaching and Workforce Skills Development

- All ENHANCE Students will have a career coaching discovery session and a career action plan to be developed during the identified academic year.
- Individual and group career coaching to all ENHANCE juniors and seniors throughout the academic year.

Sample Workshop Topics:

- Building an Impactful Resume
- Employment Research and the Application Process
- Preparing for and participating in a job / internship interview
- Effective Workplace Communication
- Discovering Your Strengths Based Work Style
- Understanding and Applying Mindful Communication in the Workplace
- Tips and Techniques for Handling Mental Fatigue
- Working with Different Personalities
- Applying Conflict Resolution in the Workplace
- Essentials of Work Teams
