1. Review Minutes (5 minutes)

2. Discuss status of spring 2012 assessments (15 minutes)
   a. International & Intercultural (Gladys, Monika, Ashwani)
      Monica introduced the Intercultural analysis. The category of Intercultural NORTH AMERICA was challenged. The courses sampled did not have a NA emphasis but only US. *(So, there needs to be a conversation about this issue?) Recommend to ARC that either the category or the courses in the category need to be revisited? Do the courses even meet multicultural/intercultural US standards? Syllabus audit? Make a recommendation to ARC, to take to FA. Need to question the purpose of the category. Comparative nature of the category needs to be made more explicit in the course membership.
