2. Status: Information Literacy Assessment, Fall 2014, Closing the Loop Update (10 minutes)

Sub-committee has suggestions on what needs to change. But closing the loop requires that those teaching IL show what will change as a result of the Assessment. Eric will follow up with the Center for Reading and Writing, Todd will work with Critical Reading and Writing, and Leigh will work with the Information Literacy Group at the Library.

3. Status: International Perspectives, Spring 2015 (15 minutes)

The sub-committee was unable to attend, for various reasons but sent the following Plan:

1) To take another look at the questionnaire that is to be distributed and add some more direct measures...(I am currently doing that and am also looking at the AAC&U survey that was much lengthier but that they devised to assess a similar International goal.

2) To send out an email to all professors that had been contacted earlier in the semester and let them know that we plan to visit their classes next week and confirm that this will be ok with them.

3) To distribute/collect data next week

4) (We had talked about doing the questionnaire as a Qualtrics survey bc the data entry step would have been avoided, but it was getting a little complicated to ensure 100% participation among all students using Qualtrics) - so we are using paper (i.e hard copy) surveys

5) Data entry and analysis - hopefully by first 2 weeks of May - This process is
much easier when we all work together so we may need a little help then too.

6) Final report - end of May

4. Status: Intercultural Perspectives, Spring 2015 (15 minutes)
Classes are being set up for surveys, which will include both direct and indirect measures. Syllabi are being collected for audit.

5. Status: Awareness, Fall 2015 (15 minutes)
Pinar has a list of all faculty teaching in the Awareness Category. An email will be sent out to all

6. Status: Experiential Learning, Fall 2015 (15 minutes)
Will be complicated by the inclusion of FYS, due to the assessment happening in the Fall Semester. Email will go out to all faculty in the category before the end of this semester.

7. Other Business (5 minutes)
Seth reported that the Gen Ed TF II had not yet come to a discussion of Assessment.
