## A Word From Your Board

Dear Friends,

It is hard to believe that the Spring semester has drawn to a close. The Undergraduate Commencement was held on May 15 and the Graduate Commencement on May 22. We congratulate all graduates and wish them well on their next steps. I also hope that all the Friends who audited classes this semester had a positive learning experience and that you are looking forward to your next auditing opportunity!

I want to thank all the Friends who participated in the April Arch Connections *Where's Rocky?* contest. I am pleased to announce that our winner was Claire Mingalone. Congratulations Claire and we hope you are enjoying the Ramapo merchandise that you won! Please look for additional contests in future Arch Connections.

The Friends Membership Committee recently held its first focus group session on campus to engage current members about the Friends of Ramapo membership benefits and brainstorm potential additional offerings or benefits to consider. Please see the article in this edition for more about the event.

**Save the Date** - There are a few upcoming events you might find of interest and further information is included in this newsletter. In particular, please mark your calendars for:

On behalf of your Friends of Ramapo Board, let me take the opportunity to wish all of you a safe and relaxing summer and as always, I look forward to hearing from you and/or seeing you on campus.

Sincerely,

Peggy Capomaggi

President of Friends of Ramapo

### Among Friends

The Friends Membership Committee led by Stan Richmond and Ellen Singer held its first focus group, Among Friends, on campus on Saturday, March 15. The goals were to better understand how current members think about Friends, to collect feedback on current membership benefits, and to brainstorm potential additional offerings or benefits to consider. A key intended outcome for these groups is to refine how and where to reach out for new members, and how to best craft our messages. The meeting provided a variety of insights and a lot of new questions, exactly the outcomes that were hoped for! The Friends intend to continue these conversations throughout the next year, so stay tuned for further details. We hope you will consider joining us to share your time and thoughts to continue to improve the Friends of Ramapo activities.
