A Word From Your Board

Dear Friends,

This academic year has certainly gone by quickly! The 2026 Commencement Ceremony was held at the Prudential Center in Newark on Thursday, May 14, celebrating all bachelors, masters, and doctoral candidates. We congratulate all 2026 graduates and wish them well in their next chapters.

This Spring Semester had the largest number of Friends auditing classes ever! We hope that all who audited classes had a positive learning experience and that you are looking forward to your next auditing opportunity either over the Summer or in the Fall!

Save the Date - There are a few upcoming events you might find of interest and further information is included in this newsletter. In particular, please mark your calendars for:

- **Date for Auditing Registration** - the dates to register for one of the two Summer sessions are May 27 and July 7. For additional information, please also visit the [how to audit a course section of our website](#).
- **Summer Concerts** - the TD Bank Summer concerts kick off on Thursday, July 9 at 7pm. If you do attend any of the four concerts, please plan on stopping by the Friends table to say hello!

This edition of Arch Connections will be the last until August. In the meantime, if you have any comments or questions about the Friends, please contact us at friends@ramapo.edu.

On behalf of your Friends of Ramapo Board, let me take the opportunity to wish all of you a safe and relaxing summer and as always, I look forward to hearing from you and/or seeing you on campus.

Sincerely,

Peggy Capomaggi
President of Friends of Ramapo
