

## Contemporary Arts (Contract Major)

### Recommended Four-Year Plan (Fall 2014)

A contract major is a personalized individual course of study. While there are delineated requirements of number and level of coursework, each program will be unique to the student's particular interests. **Students must consult with a faculty advisor to determine the required courses.** Further information is available in the online catalog major description. Three writing intensive courses are required in the major and/or school core (examples are marked by **WI** designation in the plan below). Consult with your advisor for specific details.

**NOTE:** This recommended Four-Year Plan is applicable to students admitted into the major during the 2014-2015 academic year.
