

## American Studies—Elementary Education Certification

### Recommended Four-Year Plan (Fall 2017)

This recommended four-year plan is designed to provide a blueprint for students to complete their degrees within four years. These plans are the recommended sequences of courses. Students must meet with their Major Advisor to develop a more individualized plan to complete their degree. This plan assumes that no developmental courses are required. If developmental courses are needed, students may have additional requirements to fulfill which are not listed in the plan and degree completion may take longer.

**NOTES:** \* denotes only if needed

++Note that 3 upper-level writing intensive courses are required
