Recommended Four-Year Plan (Fall 2018)

The recommended four-year plan is a blueprint for students to complete their degrees within four years. Advisors help students design individualized plans based on this blueprint. This plan assumes that no developmental courses are required. If developmental courses are needed, students may have additional requirements to fulfill.

**Writing Intensive Requirement (students must take three WI courses to graduate): History majors fulfill this three-course requirement with HIST 201, HIST 410, and any HIST 300-level course.
