

American Studies - Recommended Four-Year Plan (Fall 2019)

The recommended four-year plan provides a blueprint for students to complete their degrees within four years. Students must meet with their major advisor to develop a more individualized plan to complete their degree. This plan assumes that no developmental courses are required. If developmental courses are needed, students may have additional requirements to fulfill which are not listed in the plan and may extend degree completion.

| First Year | | | | | |
