

School of Social Science and Human Services
4+1 Elementary Education BS and Special Education MA
Recommended Four-Year Plan (Fall 2023)

3 MASE courses may count toward undergraduate credit **and** major.

These courses do not change the credit count for the undergraduate program.

Upon admission to Ramapo College, candidates will be provisionally accepted to the teacher education 4+1 program. Each student will meet with an advisor to confirm their academic plan. The student's advisor will need to provide permission prior to registering for their graduate coursework during the undergraduate degree. All undergraduate teacher education requirements are to be completed prior to full matriculation in the MA program.

First Year*					
Fall Semester	HRS	✓	Spring Semester	HRS	✓
General Education: Keystone Course: INTD 101 First Year Seminar	4		General Education: Keystone Course: Quantitative Reasoning & Certification: MATH 101, 104, 106, 108 , 110 or 121	4	
General Education & SSSH School Core: SOSC 110 Social Science Inquiry	4		General Education: Keystone Course: AID 201 Studies in Arts and Humanities	4	
General Education: Keystone Course: CRWT 102 Critical Reading and Writing II	4		Certification: PSYC 215 Learning, Cognition, & Teaching	4	
SSHS School Core & Certification: PSYC 101 Introduction to Psychology	4		Major: EDUC 211 Student Literacy Corps ^{CE1} (Urban)	4	
			Career Pathways: PATH SS1 – Career Pathways Module 1	Degree Rqmt.

*Ideally, students should be fully admitted into the program **by the end of their first year at Ramapo**. Transfer students should be admitted before registration date of their first semester on campus. Students should be directed early to the TE program for admissions requirements.

**Students must be fully admitted into the TE program before registering for EDUC 222. It is recommended that EDUC 211, EDUC 222, EDUC 346 and EDUC 360 be taken in different semesters as each will require clinical experience hours in schools.

Please Note: Required clinical experience hours typically occur *outside* of your regular class time.

CE1: EDUC 211- 22 hours of clinical experience required in an urban public school setting.

CE2: EDUC 222- 20 hours of clinical experience required in a public school setting. Must be admitted into the TE Program by preregistration semester prior.

CE3: 60 hours of clinical experience required in a public school setting. New TB test and possession of a valid substitute teacher license required at time of preregistration semester prior.

CE4: 20 hours of clinical experience required in a public school setting. New TB test and possession of a valid substitute teacher license required at time of preregistration semester prior.

***New regulations will require students to have either 6 credits of Special Education, or the equivalent, to be eligible for certification upon completion of the TE Program. Ramapo College will fulfill this requirement by continuing to require EDUC 360, a 4 credit course, and will fulfill the remaining 2 credit equivalent by requiring students to take EDUC 395.

For students who do not take EDUC 395 in addition to EDUC 360, they must complete a minimum of 60 hours of fieldwork while enrolled in EDUC 360. These hours will satisfy the requirement of both the mandated Special Education fieldwork experience and the requirement for 6 credits of Special Education.

****Only offered fall semester. These four courses are co-requisites and must be taken the semester prior to Clinical Practice Capstone.

*****State mandates, as of Fall 2018, will require one full year of Clinical Practice (CP). At Ramapo, that will be done on a Fall-Spring model. In the first semester, students must complete 180 hours of clinical practice requirements; in the spring they must complete 525 hours during

Clinical Practice Capstone (student teaching.) CP 1, 2, 3, and 4 will each require 45 hours, in addition to regular class time, in local K-12 schools.

This major has enough space built-in that students **could elect to complete a middle school endorsement within the 4 years to graduation and certification**. Students must have 15 credits (4 Ramapo courses) in a particular content area (language arts, science, social studies, or math), PSCY 347 (Adolescent Psychology, included in 4-year plan), 2 on-campus non-credit seminars, and passage of the appropriate middle school content Praxis examination to earn a middle school endorsement. Interested students should seek guidance from Teacher Education Program staff.

PLEASE NOTE: Transportation to and from clinical experience and clinical practice placements is the responsibility of individual students. Please plan accordingly. If transportation is or may be an issue, please visit the TE program offices *BEFORE* you register for a course that requires a K-12/off-campus school placement.
