PRESIDENT'S MESSAGE

Dear Friends, Benefactors, and Guests:

What good fortune it is to celebrate the 39th Annual Ramapo College Foundation Golf Outing with you today!

I am delighted to recognize this year's Havemeyer Presidential Leadership Award recipient, Peter Seminara '00. This award acknowledges outstanding contributions to higher education and community service, and Peter more than deserves this honor. He truly embodies what it means to be bold, kind, and a good teammate. From his exemplary leadership on the Foundation Board of Governors and generous scholarship support to his professional success and insightful contributions as a Presidential Speaker Series panelist, Peter exemplifies how Ramapo makes its mark—by graduating empathetic problem solvers, ethical change agents, and responsible leaders. His impact reflects the very momentum driving our institution forward as Ramapo ascends to national distinction:

- » College of choice. At a time when most institutions are facing enrollment challenges, we continue to see increased demand for a Ramapo education. Families are choosing - **trusting** - Ramapo with their students, including the 50% of our first-year students this fall who are first-generation, or first in their family to go to college.
- » Partner of choice. Our focus on delivering tangible results in the areas of healthcare, film and entertainment, and community uplift shows up in our accelerated nursing and healthcare administration programs; our recent work with Netflix; our work alongside law enforcement in helping to solve cold case; and our growing engagement with non-profit organizations.
- » Investment of choice. The Foundation's endowment has grown more than 60% in the last four years, as more of our alumni, friends, parents, sponsors, and others help us future-proof our public, liberal arts mission and deliver a vital return on investment.

Like Peter Seminara '00, our students are doers, creators, and problem-solvers who lift each other up, work hard, and make a difference not only on our campus, but also in communities and industries they touch long after graduation.

I thank you for your continued advocacy and support of Ramapo College now and in the years ahead.

Go Roadrunners!

Cindy R. Jebb, Ph.D.
President

EXECUTIVE DIRECTOR'S MESSAGE

Thank you so much for joining us today for the Ramapo College Foundation's 39th annual Golf Outing back again at The Tuxedo Club. Whether you found every fairway, explored the scenic hazards or are just joining us for a wonderful dinner, I hope you leave knowing that **your** support **today** creates opportunities for Ramapo's students to access, engage and thrive in an environment that teaches them how to think, not what to think.

Regardless of your score, know that you're here today supporting an organization on the ascent. Last year, the Foundation awarded over \$1

million in scholarships to Ramapo students - the first-time in our history to hit this milestone. Our endowment has grown **over 60%** in the last five years. And, Ramapo is ranked in the top 100 of the U.S. News & World Report's Top Value Schools for the high quality of academic programming delivered with a low net cost of attendance. Your support of Ramapo at this Outing directly impacts our students - it invests into their education and supports the transformative experience they receive through hands-on learning and career readiness opportunities that delivers a high return on investment.

To that end, I am thrilled to honor a great Ramapo alum, ambassador, board member and friend, Peter Seminara '00, with the 2026 the Havemeyer Presidential Leadership Award. Peter embodies the true spirit of a Roadrunner alum. He is constantly looking for ways to advocate, give back, and draw on his own experiences to create opportunities for today's students. His leadership and energy drove a historic achievement for this Outing — our very first fully sold-out roster of golfers! Peter, we are privileged to recognize and honor everything you do for Ramapo!

Thank you again for being with us today. We are so appreciative of your friendship and generosity, and look forward to your continued engagement over the year.

Christopher Romano, Ed.D.

Vice President of Strategic Enrollment, Outreach and Engagement
Executive Director, Ramapo College Foundation

GOLF COMMITTEE

Celebrating our thirty-ninth Outing, the Ramapo College Golf Committee is incredibly grateful for the tremendous generosity, remarkable growth in participation, and lasting friendships that have developed through the years.

The Outing has now raised more than \$1.7 million, directly supporting student scholarships, innovative educational initiatives, additional grants and programs for students and faculty, and ongoing campus projects. These unrestricted funds are crucial to the continued viability and success of Ramapo College.

What began in 1987 at Hackensack Golf Club with just 50 golfers has grown into the second-largest annual fundraiser for the Ramapo College Foundation. We are also incredibly proud that 70% of our Golf Committee members are Ramapo alumni—a true testament to the loyalty and commitment of our Ramapo community.

Today, we are especially pleased to honor our friend, Peter Seminara '00, with the Havemeyer Presidential Leadership Award.

Pete played in his first Ramapo Golf Outing in 2011 and joined our Golf Committee in 2015. Remarkably, he has not missed an Outing in fifteen years. Needless to say, you can find his name—and his winning team—on our trophy multiple times!

Pete's commitment to Ramapo, his friendship, and his enthusiasm for this Outing have made him such an important part of our Golf Committee family. We are thrilled to welcome Pete's friends, colleagues, and supporters here today, and we thank all of you for helping make today's Outing such a tremendous success.

Thank you for your generosity, your friendship, and your continued support of Ramapo College.
