Physician Results Form Instructions

The Health Care Provider Form option is provided by NJWELL in partnership with Quest Diagnostics.

To complete your NJWELL Biometric Health Screening, provide the Physician Results Form to your doctor. Your doctor must complete the Healthcare Provider section, including all results, Signature, and Date Test(s) Performed. The UPIN/NPI is a unique number that identifies your doctor’s office; your doctor will know this number. Laboratory results must be collected between 11/1/16 and 10/31/17 to be accepted.

If you have already completed your annual preventive care visit including lab work, your doctor’s office may have this data on file and can transfer it to this form. If not, schedule your visit now. Members may be responsible for costs relating to this doctor visit, including charges for completing the form.

Once your form has been received and validated to be complete, you will receive a confirmation email within 72 hours. If you do not receive an email within 72 hours, please review your form to ensure it was completed in full and resubmit. If you have questions, please contact the Quest Health & Wellness Service Center at 855-623-9355.
Once the form is completed, return to the confirmation page and upload a scanned version of your form, or fax it to 844.560.5221.

To upload the form, click the link labeled “upload your completed form directly”, then select the “Browse” button to locate the scanned copy of the form you have saved on your computer. IN ADDITION, manually enter your screening results into the boxes provided.
