Section 2: Enter and Submit Time – Page 6
The **Web Time Entry** component of **Employee Self Service** allows employees to submit their time worked via an electronic Time Sheet.

As an hourly or part time employee you will need to specify your hours worked.

Your time worked will be reviewed and approved by a supervisor or manager referred to as an "Approver."

Because My Ramapo is available on the web you do not need to be on campus or at your desk to record your time.

You will need to submit your electronic time sheet for approval every other Friday (Thursday in the Summer) for approval by your supervisor.

Entering Time for Hourly Employees

Hourly employees must enter all time worked.

You will see an **Enter Hours** link for each day of the week.
Clicking on the **Enter Hours** link will bring you to a daily Time In and Out record.

You must enter any hours worked in quarter hour, or fifteen minute, intervals. If you take lunch it must be recorded as in the example above.

- **Time Sheet** brings you back to the Time Sheet.
- **Previous Day** Will bring you to the previous day in the pay period.
- **Next Day** Will Bring you to the next day in the pay period.
- **Add New Line** If you had more breaks in a given work day than the default of five (5) this button allows you to add more lines for entry.
- **Save** If you are done with that day’s entry you can save the hours by clicking this button.
You will see the system has calculated the sum of hours worked that day.

**Delete** Allows you to remove a day’s time entry.

**Copy** Allows you to repeat the same hour entry across multiple days during a pay period.
Suppose you worked the identical schedule each day of the pay period that you worked Monday.

By clicking on the other days in the pay period the system will make identical entries for each day when the Copy button is clicked. You will get a message of:

⚠️ Your hours have been copied successfully.
If you click on the **Time Sheet** button you will see the time across the pay period.

To view the following week click on the **Next** button.

**Restart** Removes all entries and gives you a blank sheet.

**Comments** Allows you to make notes for your approver.

Once you open your Time Sheet the status will be **In Progress**
When you are done entering time for this pay period click on the Submit for Approval button.

The system will ask you to verify the submission by re-entering your password. This is your “electronic signature” to the Time Sheet.

The system will direct your Time Sheet to your designated approver.

Once your time sheet has been submitted you may NOT retrieve or make any changes to your Time Sheet. For any changes or updates you will have to contact your Approver directly prior to the payroll submission deadline.

You will get the message that:

⚠️ Your time sheet was submitted successfully.

The status of your Time Sheet will go to Pending. When your approver approves the Time Sheet the status will be Approved. When you are paid for that pay period the status will be Complete.
