To Managers

Managers,

As the Restart Plan for Ramapo was just filed with OSHE last night and posted on our website, I wanted to reach out to you as I am sure you must have a lot of questions. More information will be forthcoming, including an operational safety survey which will be sent out tomorrow by Gina Mayer-Costa. Please complete the survey as soon as possible so that Gina can set up an appointment with you to develop your unit's safety plan.

In addition to developing your unit's safety plan, Human Resources will be conducting return to campus information sessions over the next few weeks to outline expectations and to answer your questions. We are planning that folks will begin to the transition back to campus at the beginning of August. In some areas of the College, this transition will be a phased approach with more details to be developed in the coming weeks.

Regards,

***Virginia A. Galdieri***
