Human Resources would like to advise you that the College will be moving forward with efforts to return all staff to campus in adherence with the modified Roadrunner/Arch model. This means you will be required to report to campus 3 out of every 10 days and telecommute 7 out of 10 days based on your Roadrunner/Arch assignment.

In anticipation of a vibrant Spring semester, we had originally planned on a January 4, 2021 return date. However, at this time, the earliest we anticipate our return will be January 11, 2021. We will continue to assess the current situation and advise you if this date will change. We do want those of you who are currently telecommuting to begin planning for your on campus return on January 11, 2021. We appreciate your support of the College's efforts to resume on-site operations. If you have any questions regarding your Roadrunner/Arch designation, please reach out to your supervisor.

The Families First Coronavirus Response Act (FFCRA) currently provides for partial paid leave to care for a child (under 18 years of age) whose school or child care provider is closed or unavailable for reasons related to COVID-19. FFCRA is scheduled to expire on December 31, 2020. If you have been advised of remote schooling for your child after December 31, 2020, please submit documentation to the Benefits Office and a Benefits Representative will follow up to discuss your options.
