

Workshops at the IDC

KNOW BEFORE YOU GO

To use a lab computer during our workshops, you must verify your identity.

Complete the following steps **before** coming to the IDC:

1

Go to your Settings Management on your phone and enable Wi-Fi calling

2

Connect your phone to Ramapo's Wi-Fi:

Android Users

1. Open the Settings application.
2. Search for and select Wi-Fi.
3. From the list of available Wireless networks, select Ramapo-Secure.
4. When prompted for authentication, ensure the following settings are selected:
 - a. EAP Method: PEAP
 - b. Phase 2 Authentication: None
 - c. CA Certificate: Use system certificates
 - d. Domain: ramapo.edu
 - e. Identity: Your Ramapo Username
 - f. Password: Your Account Password
5. Tap on Connect.
6. You should now be connected to Ramapo-Secure

iPhone Users

1. Open Settings then select Wi-Fi.
2. From the list of available Wireless networks, select Ramapo-Secure.
3. When prompted for authentication, enter your Ramapo username and password.
4. A certificate warning message will appear, click Accept.
5. You should now be connected to Ramapo-Secure.

Need assistance? Submit a Help Desk ticket or arrive 15 minutes early so the IDC staff can help you get connected.
