The Student Achievement Measure is supported by six sponsoring associations, working together to provide a more comprehensive and accurate picture of student progress and completion as students move across institutions and state boundaries.

Ramapo College of New Jersey

Ramapo has been ranked fifth by U.S. News & World Report in the “Best Regional Public Colleges & Universities Northern” category, and also cited for excellence by Kiplinger’s magazine. Ramapo joined SAM to enhance its federal reporting on graduation rates, by using NSC to track its transfer students. It provides the consumers information regarding students outcomes for incoming students who transferred out and eventually, graduated, or are still enrolled or have further transferred to other institutions.
