Introduction and Acknowledgements

It is my pleasure to present the fact book to the college community which depicts data for Academic year 2019. The year was landmarked with some important events that happened during the year.

1. Ramapo College is celebrating the 50th year of its charter that established Ramapo College of New Jersey in 1969. Various activities were planned for the year involving faculty, staff, students and Alumni. Maroon Monday turned out to be one of the most successful events, whereby the employees and students wore maroon gear on Mondays. Specifically 50th anniversary shirts were designed and distributed for the occasion. Though COVID -19 put a damper on the same, the college community still dresses in maroon on Mondays while working remotely from home.
2. Ramapo College was accredited by the Middle States Commission on Higher Education (MSCHE) with honors in February 2020. The visiting team reported that Ramapo met all of the seven “Standards for Accreditation” as defined by the Middle State Commission on Higher Education! Further, the team did not have any recommendations or requirements for the College. Kudos! to Ramapo College for its tremendous success. The office of Institutional Research is proud to report that the Fact book played an important role in the re-accreditation process, and getting the college re-accredited.
3. Soon after getting re-accredited by MSCHE the nation faced the tragedy of “COVID-19.” Before one could understand its potential, the disease claimed many lives, with thousands hospitalized in USA and many countries around the world. Among the many changes that institutions of higher education, like Ramapo College, faced was the delivery of the education to students, while maintaining the teaching continuity. Colleges and Universities across the nation were physically closed and they switched to online delivery of academic programs. Although not an easy task, credit goes to the faculty and ITS staff for moving forward with change without missing a beat. How the change impacted student and faculty experience in spring 2020 is yet to be seen.

It is important for these facts be documented in the history of Ramapo College and what better place to document them than the fact book. As I release the fact book, my prayers are with families who lost their loved ones and for those who are suffering from it. Additionally, I wish for the best to the Ramapo College family of alumni, students, and employees.

Ramapo College Fact Book:

Ranked among the top 10 Best Regional Universities in Northern Region by U.S. News & World Report, Ramapo College of New Jersey is sometimes mistaken for a private college. This is, in part, due to its unique interdisciplinary academic structure, its size of over 6,100 students

Introduction and Acknowledgements (continued)

and its pastoral setting in the foothills of the Ramapo Mountains on the New Jersey/New York border, yet having small class sizes and student faculty ratio.

Ramapo College offers bachelor's degrees in the arts, business, humanities, social sciences and the sciences, as well as in professional studies, which include nursing and social work. In addition, Ramapo College offers courses leading to teacher certification at the elementary and secondary levels. The College also offers eight graduate programs as well as articulated programs with six institutions of higher education in New York and New Jersey.

Fact book is an important document for the institution as it provides a comprehensive picture of the institution, and provides information regarding its growth and vitality. The fact book is an evolving document and efforts have been made to include information that is pertinent, succinct, and beneficial to the users of the document.

The information in the current fact book is expected to assist the administration, faculty and staff in understanding the college's advancement, and making wise decisions going forward. Most importantly, the fact book reflects changes in programs that are offered to students and the outcomes.

Each year, putting this document together is a team effort and I would like to extend my gratitude to all those who helped with this document. Although it is tough to thank everyone individually, I'd like to thank the Office of Enrollment Management and Student Affairs, the Office of Information Technologies, the Office of Administration and Finance, and the Office of Institutional Advancement for their assistance with this document. I would especially like to thank the Office of the Provost for their continuous support on this document. Last, but not the least, I would like to thank my entire staff for their efforts and diligence in creating this report.

Please note that your recommendations and suggestions are very valuable in shaping our next fact book, so please add your suggestions on the "Comments and Suggestions" form at the end of the fact book and mail it to Room E-205 or email your suggestions at rcnj-ir@Ramapo.edu.
