Introduction & Acknowledgments

With great pleasure, I present the 2022 Fact Book to the Ramapo College Community.

The 2022 Fact Book provides RCNJ data, trends, and outcomes. It is designed to serve as a helpful resource for our community in that it provides a comprehensive picture of RCNJ including information regarding our growth and vitality. The Fact Book is an evolving document and we have made efforts to include information that is pertinent, succinct, and beneficial to the users of the document. In addition, it includes information that is routinely requested from the Office of Institutional Research, i.e., graduation and continuation rates, faculty status, enrollment by school/program, demographics, state appropriations, housing occupancy, etc. Perhaps most importantly, the Fact Book provides trend data on the demographics of our students and employees, enrollment in programs, and student outcomes.

Some of the additions to the Fact Book this year are in Chapter IV "Employee Characteristics." This Chapter includes demographic information for employees on the administrative side. Additionally, efforts have been made to organize the content in such a way that it is as accessible as it is helpful. Putting a document together requires many perspectives and many hands, and I would like to extend my gratitude to all those who helped with the development of this resource. Although it is difficult to thank everyone individually, I'd like to thank each of the College's six Cores for their assistance with this document. Last, but not least, I would like to thank the Institutional Research Team for their efforts and diligence in creating this report.

Please note that your recommendations and suggestions are very valuable in shaping the next Fact Book. Please add your suggestions to the "Comments and Suggestions" form at the end of the Fact Book and mail it to Room E-205 or email your suggestions to rcniir@ramapo.edu.

We expect that the information in this Fact Book will assist the users in understanding the College's strengths and opportunities and in making data-informed decisions.
