Introduction and Acknowledgements

It's a pleasure to present the "2023 Fact Book" to the Ramapo College community, which depicts pertinent and important information for the institution. The Fact Book is an important document for the institution as includes information regarding our growth and vitality. The Fact Book is an evolving document and we have made efforts to include information that is pertinent, succinct, and beneficial to the users of the document.

Most importantly, the Fact Book provides trend data for demographics of our students and employees, enrollment in programs, and student outcomes. Longitudinal data is available from Fall 2019 to Fall 2023. We expect that the information in the Fact Book will assist the college community in making decisions and in providing data to various external constituencies.

Currently, Ramapo College offers 43 bachelor's degrees in the arts, business, humanities, social sciences and the sciences, as well as in professional studies, which include nursing, business, and social work. In addition, Ramapo College offers courses leading to teacher certification at the elementary and secondary levels. As of spring 2023, the College offers 11 graduate programs, 1 doctoral program in nursing practice, and 1 post-masters certificate.

Putting the Fact Book document together requires many hands, and I would like to extend my gratitude to all those who helped with this document. Although it is tough to thank everyone individually, I'd like to especially thank Ms. Bibhuti Ghimire, our student worker for her hard work and dedication on the Fact Book. Thanks, are also due to members of the Institutional Research team, Mr. Xu and Ms. Chucala for their diligence in culling and verifying the data.

Please note that your recommendations and suggestions are very valuable in shaping the next Fact Book. Please email your suggestions at rcnj-ir@ramapo.edu.
