SETTING UP RAMAPO GMAIL WITH YOUR IOS DEVICE

STEP 1

When you turn your IOS device on, you will be on the home screen, which will be similar to the screenshot shown below, from the home screen you can click on **SETTINGS**. Your Settings icon may be in a different location on the home screen. At this time you can select **MAIL**

STEP 2

Please select Accounts -> Add Accounts -> Google

C Settings Mail		Kail Account	5	Accounts Add Account
Accounts		ACCOUNTS	ACCOLINTS	
mishaoc ust		Cloud Cloud Drive, Mail, Contacts, Calevillers, Safati and 6 race		
Preview	2 Given 3	Add Account		E 🛿 Exchange
Show To/Cc Labels	Q1			Google
Swipe Options).)	Fetch New Data	Push ()	Museel
Flag Style	Color 7			YAHOO!
NETSAGES				Aol.
Ask Before Deleting				
Load Remote Images				oral Outlook.com

Organize by Thread				
Most Recent Message on Top	0			
Complete Threads				
Hore of the messages is a treast, ever if we to other multicose. Mount messages will see	ne have been moved			

STEP 3

Enter your **Full** Ramapo email address. (*ex.: Username@ramapo.edu*). After hitting next you will be taken to the Ramapo Gmail login page. Sign in using your Ramapo username and Password.

STEP 4

Your IOS device will then verify your Ramapo account. Once you have entered in your username and password correctly you will see the follow screen. Click **SAVE** in the top right.

Congratulations! You have successfully completed adding your Ramapo Email to your IOS device. Should you need further assistance please contact the ITS Help Desk: 201.684.7777 or via E-mail: helpdesk@ramapo.edu.
